GALLERIES

C. C. Young is honored to present JD Miller, Reflectionist and co-founder of Samuel Lynne Galleries, as our featured speaker for the 2018 Celebration of Artists & Writers. Miller will congratulate our contest winners, help to inspire our audience and share his personal journey as a Reflectionist.

JD Miller began his painting career 20 years ago with a vision. Pursuing the law of attraction, with a conscious practice as a professional musician, he developed Reflectionism. Exploring other mediums, the artist began using oil paints, based on sensorial experiences, to create the 3-dimensional oil technique.
