

HOPE FOR THE HEART

Bereaving your furry friends.

Please join us for a conversation with
Rev. Dr. Raelynn Scott of CC Young Senior Living
Hospice Program. Our discussion will address:

- The stages of grief.
- What do we need during the grief experience?
- Five myths about grieving.
- Ten factors that influence the grief responses.
- When grief becomes complicated.
- How you can best support your animals, family, yourself and your colleagues as you serve daily in life and death experiences.
