

CC YOUNG  
SENIOR LIVING

**HOSPICE CARE**

*Trusted by Physicians,  
Chosen by Families.*

## *A Physician's Trust. A Century of Excellence.*

---

Since 1922, CC Young has set the standard for senior care in DFW. What began as exceptional senior care living has grown into an integrated healthcare organization offering Home Health, Private Care, Hospice, and Palliative Care.

When you refer to CC Young, you're entrusting your patients to CMS 5-Star rating care for Skilled Nursing, Home Health, and Hospice. Our third consecutive CHAP Accreditation and recognition as one of America's top CCRCs by *Newsweek* confirms what you already know – your patients deserve the best, wherever they call home.

## Why Physicians Choose CC Young

---

*Hospice care is our calling, not just a service.  
When it's time for hospice, you can trust that  
your patients' care is in the best hands.*

- 99.2% Clinical Excellence Rating – well above the national average
- Top 20% ranking among all U.S. hospices for quality performance
- 89% Quality Ranking Score (33% above national average)
- 90% Hospice Care Index rating across all quality indicators
- Consistently exceeds national benchmarks for pain management, symptom relief, and family satisfaction
- Seamless admissions process with dedicated physician liaison support
- Real-time communication and regular updates on patient status

### *Your Patients, Our Shared Mission*

Continuity of care matters. Our 24/7 clinical coordination ensures seamless transitions that honor the care standards you've established. Every patient benefits from our interdisciplinary team approach – medical directors, registered nurses, social workers, chaplains, certified nursing assistants, and volunteers – each committed to providing the kind of care you want for your patients and families.

---

### *Advanced Clinical Team*

---

- Hospice & Palliative Care Certified Nurses (CHPN)
- Certified Hospice & Palliative Licensed Nurses (CHPLN)
- Certified Dementia Practitioners and specialized dementia care
- Specialized Wound Care Nurses for complex medical needs
- Board-Certified Chaplains for spiritual support
- Licensed Clinical Social Workers
- Medical Directors with Hospice Medicine Board Certification

## Comprehensive Care, Every Step of the Way

At CC Young, we believe in supporting the body, mind, and spirit. Our holistic interdisciplinary approach brings comfort and dignity to patients, and peace of mind to families, providing consistent care through those final moments of life.

- Advanced pain and symptom management protocols
- Specialized wound care and medical equipment
- Physical and occupational therapy services
- Medication management and administration
- 24/7 on-call clinical support
